➤ Profile

Thanking you for giving us the opportunity to introduce ourselves; established in the year 2000, under the Dubai Civil Defence, holding the trade banner of Al Hijaz Fire Fighting Eqpt. L.L.C., we are one of the recognised organizations in the field of fire protection systems.

At **Al Hijaz Fire Fighting Eqpt. L.L.C.**, we undertake mainly the overall fire protection works as well as provide Fire Detection & Fire Protection systems for buildings, warehouses, sheds, villas, offices, shops, water & marine etc. There are numerous projects executed by us in the Government, Private, Public and Industrial sectors throughout Dubai. We are specialised in Designing, Supply, Installation, Testing, Commissioning, Servicing and Maintenance of fire protection systems with the best technical team of experienced Engineers, Technicians and associated staff. We Design, Install and Commission the systems to meet the requirements of NFPA and the local authorities. We use materials for our projects which are approved by the Dubai Civil Defence with LPCB, UL Listed, FM Approved standards.

FIRE DETECTION & PROTECTION

Protecting Life & Property
